

MAKE SAFE HAPPEN[®]

My Home Fire Escape Plan

Ask a grown-up to help you draw your plan.
In case of fire, call 911.

- Draw a floor plan of your home. Show all doors and windows.
- Mark two ways out of each room.
- Mark all of the smoke alarms with SA. Smoke alarms should be in each sleeping room, outside each sleeping area and on every level of your home.
- Pick a family meeting place outside where everyone can meet.
- Remember to practice your plan at least twice a year.
